

Job Title: Camping Guide

Job Description: We are currently seeking a passionate and experienced Camping Guide to join our team. As a Camping Guide with Adirondack Mountain Outfitters, you will have the opportunity to lead camping expeditions in the breathtaking wilderness of the Adirondack region. Whether it's setting up camp beside a serene mountain lake or sharing stories around a crackling campfire under the stars, you will be responsible for providing our clients with safe, enjoyable, and memorable camping experiences.

Responsibilities:

- Lead guided camping trips for individuals and small groups, focusing on safety, outdoor skills, and environmental awareness.
- Select and prepare camping locations, ensuring suitability, safety, and adherence to Leave No Trace principles.
- Provide instruction and guidance on camping skills, including tent setup, fire building, outdoor cooking, and campsite hygiene.
- Assist clients with selecting appropriate camping equipment and gear, and ensure gear is properly maintained and sanitized.
- Organize and lead outdoor activities such as nature walks, stargazing, and storytelling to enhance the camping experience.
- Educate clients about local flora, fauna, and environmental conservation efforts, fostering a deeper connection to the natural world.
- Ensure compliance with all camping regulations, permits, and park rules.

Qualifications:

- Proven experience as a Camping Guide or outdoor educator, with a strong knowledge of camping techniques, equipment, and outdoor safety.
- Knowledge of local flora, fauna, and geography of the Adirondack Mountains.

Benefits:

- Access to top-of-the-line camping equipment and resources to enhance client experiences.
