

Job Title: Fishing Guide

Job Description: We are currently seeking an experienced and passionate Fishing Guide to join our team. As a Fishing Guide with Adirondack Mountain Outfitters, you will have the opportunity to lead fishing excursions in some of the most scenic and abundant waters in the Adirondack region. Whether it's fly fishing for trout in a tranquil mountain stream or casting for bass on one of the many pristine lakes, you will be responsible for providing our guests with an exceptional fishing experience tailored to their skill level and interests.

Responsibilities:

- Lead guided fishing trips for individuals and small groups of varying skill levels.
- Provide instruction and guidance on fishing techniques, equipment usage, and safety protocols.
- Assist guests with selecting appropriate gear and bait, and ensure equipment is properly maintained.
- Share knowledge about local ecology, wildlife, and conservation efforts to enhance the overall experience.
- Foster a welcoming and inclusive atmosphere, ensuring all guests feel comfortable and supported throughout the excursion.
- Adhere to all regulations and guidelines pertaining to fishing licenses, catch limits, and environmental protection.

Qualifications:

- Proven experience as a Fishing Guide or similar role, with a strong knowledge of local fishing spots, techniques, and species.
- Commitment to ethical fishing practices and wildlife conservation.

Benefits:

- Access to top-of-the-line fishing equipment and resources to enhance guest experiences.
