

Job Title: Hunting Guide

Job Description: We are currently seeking an experienced and knowledgeable Hunting Guide to join our team. As a Hunting Guide with Adirondack Mountain Outfitters, you will have the opportunity to lead hunting expeditions in the vast and diverse wilderness of the Adirondack region. Whether it's tracking whitetail deer through dense forested areas or calling in wild turkey in open fields, you will be responsible for providing our clients with safe, ethical, and memorable hunting experiences tailored to their skill level and preferences.

Responsibilities:

- Lead guided hunting trips for individuals and small groups, focusing on safety, ethical hunting practices, and conservation principles.
- Conduct pre-hunt scouting to identify game trails, feeding areas, and optimal hunting locations.
- Provide instruction and guidance on hunting techniques, firearm safety, and wildlife behavior.
- Assist clients with selecting appropriate hunting equipment and gear, and ensure firearms are properly maintained.
- Ensure compliance with all hunting regulations and licensing requirements.
- Foster a respectful and responsible attitude towards wildlife and the natural environment.
- Share knowledge about local ecology, wildlife habitats, and conservation efforts to enhance the overall hunting experience.

Qualifications:

- Proven experience as a Hunting Guide or similar role, with a strong knowledge of local hunting regulations, species, and habitats.
- Proficiency in firearm handling and safety procedures.
- Certification in Hunter Safety and/or Bowhunter Education preferred.
- Commitment to ethical hunting practices and wildlife conservation.

Benefits:

- Access to top-of-the-line hunting equipment and resources to enhance client experiences.
